Motor Glass/Windscreen claims

1. These are claims involving damage to windscreen and/or window glass which occurs in isolation, i.e. without any other part of the vehicle being damaged at the same time.
2. These claims are handled with the minimum of administration
3. PG Autoglass & Glasfit are directly linked to most insurers policy management systems and are therefore able to register glass claims at their premises immediately.
4. No paperwork
5. Other repairers will contact insurer to telephonically register the claim and seek approval to repair or replace.
6. Repairs are normally free of excess
7. Replacement carry a excess of 10% of claim with certain minimum amount
